Academic Information

Description of Courses

Language and Conversation

CH1001 Spanish Language

Elementary course in the Spanish language based on a functional approach. Students apply the necessary lexical and grammatical contents to communicate in everyday situations. Material with cultural contents is used.

CH1011 Specific Grammar Problems

Beginners course in Spanish with a special emphasis on oral communication. Study of the basic aspects of Spanish grammar. Students learn and apply grammar contents to refer to the present, past and future. Introduction to reading and writing.

CH1051 Conversation

Intensive introductory course to the Spanish language for developing oral and written comprehension skills. Students learn to express their primary needs and are able to communicate in Spanish, both orally and in writing.

CH2001 Spanish Language

Practice of communication skills in Spanish at an intermediate level. Linguistic functions to be able to get by in everyday life. Use of essential vocabulary and grammar. Discussions on current affairs and topics.

CH2021 Spanish Language

Consolidation of learned grammar contents. Broadening the vocabulary. Practice of oral and written skills. Practice exercises on grammar and vocabulary. In this course, oral practice activities are combined with other more controlled and formal activities.

CH2011 Specific Grammar Problems

Study of the main problems of Spanish grammar with special emphasis on the uses of the past and subjunctive tenses. Applying, in both written and oral ways, grammar contents.

CH2101 Spanish Language: Theory and Practice

Practical course of the Spanish language at an intermediate level whose main objective is to work the four skills and the development of learning strategies. Practice vocabulary for everyday life. Activities and reading in an informal way. Some task working techniques will be developed.

CH2051 Conversation and Composition

Use of everyday language. Techniques and strategies to maintain a conversation. Acquisition of the necessary fluency to exchange opinions. Discussions on simple newspaper articles and current affairs topics.

CH2031 Conversation and Reading

The object of this course is to obtain good fluency in informal conversations and debates using the grammatical knowledge of the students by using a graded reading. Students will also widen their vocabulary and learn different registers of communication.

CH3001 Spanish Language

The object of this course is to work on oral and written comprehension at a high intermediate level. Study and practice of grammar structures. General review of Spanish basic morphosyntax. This course includes readings, comments and debates on contents from literary texts or newspaper articles to enrich the vocabulary and the use of colloquial Spanish.

CH3011 Specific Grammar Problems

Applied grammar course focused on achieving more confidence in the use of the language and the mastering of complex grammatical aspects. Special reference to the practical application of learned grammar structures.

CH3031 Written Spanish

General aspects. Analysis of the different registers, for example: literary language and language in the media. Broadening and consolidation of language structures and vocabulary. Study of written texts. Literary creativity. The course objective is to improve the written expression of the participants.

CH3421 Spanish for Business

The purpose of this course is to acquire the knowledge and language needed to communicate in the business world. The contents of the course will be developed within a practical framework. Students will extend the vocabulary in this field as well as improve their oral fluency and reading comprehension skills.

CH3051 Conversation and Composition

A practical course focusing on improving oral fluency in informal and formal conversations in everyday situations. Writing skills are developed through oral presentations and debates based on compositions and editing texts.

CH4001 Spanish Language

Oral and written expressions and comprehension at the advanced level. Analysis of the most problematic grammar structures. Special attention will be paid to the use of connectors within the language.

CH4011 Specific Grammar Problems

Review of Spanish morphosyntax. Specific problems in advanced grammar for each participant. The use of prepositions, pronouns and passive voice. Idioms and expressions.

CH4051 Conversation and Composition

A practical course focusing on improving oral fluency and vocabulary in order to participate in conversations and debates using different registers. The oral practice will be developed by using audiovisual material related to sociocultural aspects of Spain.

CH4121 Studies of the Spanish Language

Proficiency course focused on formal elements of the Spanish language, from a syntactic, morphological, semantic, phonetic and pragmatic point of view. The course ranges from the evolution of the Spanish language, Spanish in the world and applied linguistics to the teaching of Spanish as a Second Language.

CH3021 Preparation Course for Basic Diploma of Spanish (DEBE)

Preparation course for Intermediate Diploma of Spanish. Special attention to understanding, speaking, reading and writing skills, as well as grammar and lexical aspects of Spanish, relating to the level established by the Spanish Ministry of Education.

CH4021 Preparation Course for Superior Diploma of Spanish (DESE)

Preparation course for Superior Diploma of Spanish. Special attention to understanding, speaking, reading and writing skills, as well as grammar and lexical aspects of Spanish, relating to the advanced level established by the Spanish Ministry of Education.

Cultural Studies

CH1041 Spain and the Spaniards

Spanish customs and traditions in everyday Spain. Presentation of Spain and the Spanish people. Students are introduced to short newspaper articles and texts on different aspects of Spanish culture.

CH2041 Discovering Spain

Introduction to Spain, its geographical, political, socio-economical and cultural aspects through its regions and Autonomías. A look at the languages in Spain and its traditions. Reflection on Spain in comparison to other European countries.

CH3041 Diverse Spain

Study of the different comunidades autónomas, their nature, economic resources, culture and history, as well as the society and the way of life, main traditions and folklore. The most characteristic cities and villages.

CH3061 Spanish Contemporary Society

Study of Spanish society: education, work, family, youth, health, leisure, everyday life, preoccupations and values. Use of statistics and authentic materials (newspapers, magazines, etc) to understand social aspects of modern Spain.

CH4041 Current Spanish Issues

Different topics are studied, taking into consideration political, economic, cultural and social aspects. Both written and audio-visual materials are used.

CH3071 Spanish Art and Civilization

Study of the different civilizations that existed in the Iberian Peninsula throughout its history and their contribution to current Spanish culture.

Academic Information

Description of Courses Registration Procedure

Study of the main historical events that have formed our history and society. A study of the most relevant artistic works.

CH3181 Spanish Art at The Prado Museum

Study of the great Spanish painters and their works in the Prado Museum focusing on El Greco, Velázquez, Murillo and Goya. Composition and style in their paintings and study of the historical period of the painters. The course will include guided visits to the Prado Museum.

CH4141 Current Spanish Politics

Study of the Spanish political transition: the parliamentary monarchy; the Constitution and its impact in all areas of society, institutions, political parties, and comunidades autónomas. Evolution of Spanish society and economy. Current foreign policy and future perspectives.

CH4071 Contemporary Spain

Study of the principal historic events of the Twentieth-century: crisis of the monarchy, the Second Republic, Civil War, The Post-war and the Franco period; the consolidation of democracy. Political and socio-economical aspects that have influenced Spanish life.

CH3171 Spanish Society and Cinema

Panorama of the socio-political evolution of Spanish society in the Twentieth-century through cinema. Each film represents a decade and is intended to establish a debate around the events of that time. Analysis and commentary of films and of the moment they represent. Latest tendencies in Spanish cinema and perspectives for the future.

Literature

CH4191 Panorama of Spanish Literature Until the XV Century

Analysis of the most representative works (throughout reading of some fragments or complete works) and social and cultural aspects of Spanish literature of the Middle Ages and the Renaissance.

CH3081 Contemporary Spanish Novel

A general review of Spanish prose from the post-war period to the present. Principal developments in Spanish Literature with analysis and discussion of selected texts and some complete works.

CH3091 Twentieth Century Spanish Drama

A study of the major works of Spanish theatre in the 20th century focusing on the following topics: post-war drama, and contemporary theatre. The work of García Lorca will form a major part of this course. The course includes reading complete works and visits to the theatre, when possible.

CH4031 Women in Contemporary Spanish Literature (Spring)

Study of women in contemporary Spanish literature. Analysis of literary work on women or written by women. Prototypes and stereotypes. Spanish women writers from the nineteenth-century to the present.

CH4651 Celestinas and Donjuanes (June)

A study of the two most well-known characters in Spanish Literature (La Celestina and Don Juan) by the famous writers Francisco de Rojas and Tirso de Molina, respectively. Comparisons will be made with other similar characters from the panorama of Spanish literature.

CH3691 Spanish Drama of the XX Century (June)

A study of the major works of Spanish theatre in the 20th century focusing on the following topics: post-war drama and contemporary theatre. The work of García Lorca will form a major part of this course. It is mandatory to read some complete works, and whenever possible, to attend an appropriate performance.

CH4631 Women in the Spanish Literature of the Golden Period (July)

Participation of women in Spanish Literature. Analysis of literary works on women and/or written by women. Prototypes and stereotypes. Spanish female authors from the Golden Period. Reading of some text extracts and complete works.

CH3681 Contemporary Spanish Novel (July)

General view of Spanish prose from the post-war period to the present day. Major trends. Analysis and comments on selected texts. Latest trends. Future perspectives of the novel. It is mandatory to read some novels.

Academic Information

Evaluation System and Exams

According to the methodology that Nebrija follows, from a communicative and interactive point of view, the evaluation of the student's progress takes place throughout the program. It is essential, therefore, to attend classes and actively participate. In each semester there are at least two tests: one in mid-semester and another at the end of the course.

The final grade is established using the following scale:

- 33% attendance and active participation in class
- 33% daily work both in and out of class
- 34% exams

Certificates and Academic Transcripts

When the program finishes, students who have participated in our courses will receive a **Nebrija Certificate of Spanish Studies**. For students who requested validating the credits obtained in the Spanish Studies Program, the CENTRO DE ESTUDIOS HISPÁNICOS ANTONIO DE NEBRIJA will send their **academic transcript** directly to the professor or advisor at their home university in order to validate those credits. The courses taken as well as the grades are included in the transcript.

Class Timetable

Most of the classes take place between 8:30 a.m. and 2:30 p.m. Each session lasts 90 minutes and includes a 10-minute break.

Registration Procedure

In order to formalize your registration, please send the Centro de Estudios Hispánicos Antonio de Nebrija:

- the registration form filled in and signed;
- the payment form;
- two passport-size photos;
- a photocopy of your current medical insurance if it is valid for your stay in Spain. If you want to obtain insurance in your country, remember that the first day of the program you must turn in the photocopy to the office of the Centro de Estudios Hispánicos. If you requested it through Nebrija, our office will contact you so that you can fill in the confidential document.

If you pay by bank transfer, you should attach a photocopy of the payment receipt.

If you request the transport pass you must send a photocopy of the page of your passport which records your personal data along with two passport-size photos.

Please check the quality of the photocopies or the electronic reproductions of your documents before faxing them to the university.

Why Nebrija?

- ✓ For academic quality.
- ✓ For small class size.
- ✓ Because Spanish is our key activity.
- ✓ Because the students are our top priority.
- ✓ Because we organize cultural and extra-curricular activities.
- ✓ Because we arrange for lodging and other services.
- ✓ For its excellent location in Madrid.
- ✓ Because it is a small, private and independent Spanish university.
- ✓ Because we have an excellent team of experienced and highly qualified professors.
